NOTABLE FEATURES AND OPTIONS YOU SHOULD KNOW ABOUT: Cold Climate Package (\$890 value) Heated Rear Seats Heated Windscreen Headlight Power Wash Technology Package (\$1,450 value) ClearSight Interior Rearview Mirror Head-Up Display Click and Go Integrated Base Unit Safety and Security Forward collision mitigation - Forward thinking. You look away for just a second and suddenly the vehicle in front of you has stopped. That's when the forward collision mitigation system comes to life. When it senses an impending impact, it will activate a combination of features to help prevent or reduce the severity of an accident. Forward collision mitigation is always looking ahead. Rear

camera - Watching your back! The rear camera helps you see obstacles and hazards you otherwise couldn't by showing enhanced images of what is behind you. The rear camera is an extra set of eyes that's both convenient and safe. Lane departure prevention - Keep it between the lines. It only takes a moment of inattention for your vehicle to drift. With lane departure prevention, your vehicle takes corrective action to help you avoid unintentionally moving out of your lane. Lane departure prevention is an extra level of safety for you and those around you. Active blind spot system - Protect your blind side. You checked the mirror, looked over your shoulder and still nearly collided with the car next to you. An active blind spot system not only alerts you to the presence of a vehicle to your sides or rear but helps prevent you from making an unsafe lane change. Replace fear and uncertainty with the confidence and safety of the Active blind spot system.
