Description

You won't want to miss this excellent value! First and foremost is the striking exterior. Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This model accommodates 5 passengers comfortably, and provides features such as: automatic dimming door mirrors, a power liftgate, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our sales staff will help you find the vehicle that you've been searching for. We'd be happy to answer any questions that you may have. Come on in and take a test drive!
