and all-wheel drive, achieving 19 city and 23 highway miles per gallon. This configuration balances efficiency with the capability you expect from the Discovery Sport line. Interior comfort is paramount in this Landmark model. Dual-zone automatic climate control with rear air conditioning ensures passenger comfort regardless of conditions. The split-folding rear seat provides flexibility for cargo or passenger configurations, while the power liftgate simplifies loading. Heated front seats, a heated steering wheel, and memory seat settings personalize your driving experience. Safety and convenience features are comprehensive throughout. Remote keyless entry, parking camera rear, electronic stability control, and traction control work together to enhance confidence behind the wheel. The emergency pack and InControl Protect system provide additional peace of mind during your travels. Exterior details reflect the Landmark's premium positioning. Body-color bumpers, power door mirrors with heating, speed-sensing steering, and fully automatic headlights with delay-off functionality demonstrate thoughtful engineering. Rain-sensing wipers and rear window defroster manage weather conditions automatically. This executive demonstration vehicle represents an opportunity to experience Land Rover quality with minimal prior use. The combination of proven performance, comprehensive technology, and refined interior appointments makes this Discovery Sport a compelling choice in the compact luxury SUV category. We invite you to contact our dealership to arrange a viewing and test drive.
