Description

Introducing the 2026 Land Rover Discovery Sport Landmark a sophisticated compact SUV engineered to deliver capable performance and refined comfort for your daily adventures and weekend expeditions. - 11 Speakers with Meridian Sound System - Apple CarPlay Android Auto Integration - Pivi Pro Navigation System - 12-Way Heated Electric Front Seats with Driver Memory - Heated Steering Wheel - Heated Windscreen - Cold Climate Package - DuoLeather Seat Trim with Contrast Stitch - Power Liftgate - Exterior Parking Camera Rear - Electronic Stability Control with Traction Control - Four-Wheel Independent Suspension - Auto-Dimming Rear-View Mirror - Speed-Sensing Steering - Rear Air Conditioning This blue Discovery Sport Landmark arrives with a 2.0L I4 turbocharged engine paired with a 9-speed automatic transmission and all-wheel drive, providing balanced efficiency at 19 MPG city and

23 MPG highway. The turbocharged powertrain delivers responsive acceleration while maintaining practical fuel economy for both commuting and longer journeys. The interior reflects Land Rover's commitment to luxury and functionality. Heated front bucket seats with 12-way power adjustment and driver memory settings ensure personalized comfort on every drive. The heated steering wheel adds an extra measure of comfort during cold mornings, while the heated windscreen and rear air conditioning support year-round climate control. Premium DuoLeather seat trim with contrast stitching elevates the cabin's aesthetic while maintaining durability. Technology integration keeps you connected and informed. The Pivi Pro navigation system guides you confidently to any destination, while Apple CarPlay and Android Auto provide seamless smartphone integration through the 11-speaker Meridian Sound System. The auto-dimming rear-view mirror, rain-sensing wipers, and rear window defroster demonstrate thoughtful attention to driving conditions and safety. The Discovery Sport Landmark stands ready for varied terrain and weather conditions. Four-wheel independent suspension with electronic stability control and traction control provides confident handling on diverse surfaces. Speed-sensing steering adjusts responsiveness based on vehicle velocity, while the exterior parking camera rear simplifies maneuvering in tight spaces. The Cold Climate Package, including heated mirrors and windscreen, prepares this vehicle for demanding seasonal conditions. The power liftgate streamlines cargo access, and the premium interior protection and storage pack preserves your investment while organizing essentials. 20-inch alloy wheels complete the purposeful stance. Visit us to experience the Discovery Sport Landmark's blend of capable technology, refined comfort, and practical luxury firsthand.
