- Driver Assist Pack with High-Speed Emergency Braking
- Black Exterior Pack with Narvik Black accents throughout
- 22-inch 9 Split-Spoke Gloss Black Wheels
- SVO Ultra Metallic Paint in Gloss Finish
- Parallel and Perpendicular Automated Parking with Park Exit
- 825-Watt Meridian Surround Sound System with 19 Speakers
- Heads-Up Display with Traffic Sign Recognition
- Premium perforated Windsor Leather seating with multi-zone heating and cooling
- 20-Way heated and cooled front bucket seats with memory functions
- InControl Navigation Pro with Apple CarPlay and Android Auto
- Panoramic power moonroof

- Grand Black Veneer trim with genuine wood console, dashboard, and door panel inserts - Fixed side steps with Narvik Black styling The 3.0-liter inline-six engine paired with an eight-speed automatic transmission and intelligent four-wheel-drive system delivers the balance of capability and composure this platform is engineered to provide. With an estimated 18 city and 23 highway miles per gallon, this Range Rover achieves respectable efficiency without compromising the commanding presence and substantial capability the brand represents. Inside, the Westminster trim establishes a sanctuary of luxury and technology. The heated and ventilated perforated Windsor leather seats adjust through 20 individual functions, while the multi-zone automatic climate control and heated steering wheel ensure year-round comfort. The 19-speaker Meridian audio system transforms every journey, while the panoramic moonroof bathes the cabin in natural light. Genuine wood accents across the dashboard, console, and door panels communicate timeless quality. Safety and driver assistance features work seamlessly throughout your driving experience. The 360-degree surround camera system with clear exit monitor provides complete environmental awareness, while the automated parallel and perpendicular parking functions simplify navigation in any setting. Adaptive cruise control with steering assist, blind spot assist, rear traffic monitor, and the driver condition monitor work together to support confident driving. High-speed emergency braking and traffic sign recognition with adaptive speed limiter add layers of protection. Advanced technology features keep you connected and informed. The InControl Navigation Pro system integrates with Apple CarPlay and Android Auto, providing seamless smartphone integration. The heads-up display presents critical information directly in your line of sight, while the driver-focused steering wheel controls manage audio, climate, and cruise functions without distraction. This Westminster represents a rare opportunity to own a meticulously maintained, single-owner Range Rover finished in a color that stands apart from conventional choices. The comprehensive Driver Assist Pack and Black Exterior Pack demonstrate a commitment to both capability and distinctive presence. We invite you to schedule a personal viewing to experience the commanding presence, refined interior, and technological sophistication this remarkable vehicle offers.
