- Power Moonroof
- Heated & Ventilated Front Seats
- Auto High-Beam Headlights with Delay-Off Function
- 20 Satin Dark Grey Alloy Wheels
- Rear Parking Camera
- Rain-Sensing Wipers

- Four-Wheel Independent Suspension

Presented in Santorini Black Metallic, this Defender commands presence while maintaining an elegant appearance suited to urban and rural settings alike. The exterior combines purposeful design with refined detailing, including LED fog lights, auto-dimming mirrors, and a power moonroof that opens your experience to the elements.

Step inside to find a thoughtfully appointed cabin where comfort meets functionality. The 12-way heated and cooled electric memory seats ensure personalized support on every journey, while the grained leather trim and leather steering wheel reinforce the quality throughout. The refrigerated center console keeps essentials at the ideal temperature, and dual front cupholders with cover provide convenient storage for your daily needs.

Technology seamlessly integrates into your driving experience through the Connected Navigation PIVI Pro system, which pairs seamlessly with Apple CarPlay and Android Auto. The 700-watt 15-speaker Meridian surround sound system transforms your cabin into an acoustic sanctuary, whether you're navigating city streets or remote roads. Automatic climate control with front dual-zone capability maintains your preferred temperature regardless of conditions outside.

The 3.0L inline-six engine paired with an eight-speed automatic transmission and 4WD capability provides the power and control you expect from a Land Rover. This configuration returns 18 miles per gallon in the city and 23 on the highway, balancing performance with efficiency. Four-wheel independent suspension, speed-sensing steering, and electronic stability control work together to deliver composed handling across varied terrain.

Safety is engineered throughout this vehicle with dual front impact airbags, front side impact airbags, overhead airbags, and occupant-sensing technology. Four-wheel disc brakes with ABS, traction control, and brake assist provide confident stopping power. The rear parking camera and comprehensive lighting suite including rear fog lights and rain-sensing wipers enhance visibility and awareness in all driving conditions.

This 2023 Defender 110 X-Dynamic SE represents a substantial investment in capability, comfort, and prestige. Its 33,072 miles reflect careful stewardship, and the comprehensive feature set ensures you're prepared for whatever your lifestyle demands. We invite you to schedule a test drive and experience firsthand how this vehicle integrates luxury with purpose.
