Description

This Land Rover won't be on the lot long! Both practical and stylish! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Top features include rain sensing wipers, a built-in garage door transmitter, heated seats, and voice activated navigation. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in the quality that we offer on all of our vehicles. Stop by our dealership or give us a call for more information.
