This 2021 Land Rover Defender 110 X-Dynamic HSE represents a refined approach to capable adventure. The white exterior combines classic appeal with contemporary design, while the 3.0L I6 engine paired with an 8-speed automatic transmission and 4WD delivers dependable performance whether navigating city streets or venturing off the beaten path. With 76,657 miles, this vehicle has been thoughtfully maintained and remains ready for years of reliable service.

Interior comfort is paramount in this model. The 14-way heated and cooled memory seats upholstered in Windsor leather provide personalized support for both driver and passenger, while the power moonroof offers an open-air experience. The cabin features premium lighting throughout, and the front center console refrigeration compartment adds practical luxury for longer drives. Climate control is handled through dual-zone automatic temperature management, ensuring every occupant finds their preferred comfort level.

Technology integration keeps you connected and informed. The Connected Navigation PIVI Pro system provides intuitive route planning, while Apple CarPlay and Android Auto compatibility allows seamless smartphone integration. The 400-watt Meridian sound system with 11 speakers delivers premium audio quality, and SiriusXM radio access keeps you entertained on any journey. Weather band radio and outside temperature display round out the information suite.

Safety and handling have been engineered with comprehensive attention to detail. Dual front impact airbags, front and rear side impact airbags, and occupant sensing technology work alongside electronic stability control and traction management. Speed-sensing steering adapts to your driving conditions, while the adaptive suspension with four-wheel independent design smooths rough terrain. All-wheel disc brakes with ABS provide confident stopping power.

Practical features enhance everyday usability throughout this Defender. The split-folding rear seat offers flexible cargo configurations, rain-sensing wipers automatically respond to weather conditions, and the integrated HomeLink garage door transmitter streamlines property access. Memory settings for seats and steering wheel ensure immediate personal preference recall, while power windows, door mirrors, and keyless entry provide convenient operation.

This Land Rover Defender 110 X-Dynamic HSE offers a compelling balance of capability, comfort, and technology. We invite you to examine this vehicle firsthand and experience the craftsmanship that defines this model. Contact us to schedule a showing and take the next step toward ownership of a vehicle engineered for both confidence and refinement.
