- Power Liftgate
- Auto High-beam Headlights
- 20" Gloss Silver Alloy Wheels
- DuoLeather Seat Trim
- Four Wheel Independent Suspension

- Electronic Stability Control with Traction Control
- InControl Protect Emergency Communication
- Rear Parking Camera

The White exterior presents a clean, contemporary appearance accented by body-color bumpers and power door mirrors with heating capability. The 20-inch gloss silver wheels provide a premium visual statement while maintaining everyday practicality. Rain-sensing wipers and rear window defroster ensure clear visibility in all conditions, while auto-dimming door mirrors and fully automatic headlights enhance convenience and safety.

Inside, DuoLeather trimming and an Ebony Suedecloth headlining establish an upscale cabin environment. Illuminated metal treadplates with brand script and premium cabin lighting create welcoming appeal each time you enter. The front bucket seats offer 12-way heated adjustment with memory function on the driver side, allowing you to recall your preferred position automatically. Dual-zone automatic temperature control maintains comfort for all passengers regardless of weather.

The PIVI Pro infotainment system with its 10-inch touchscreen integrates Apple CarPlay and Android Auto for seamless smartphone connectivity. Navigation and SiriusXM satellite radio provide comprehensive entertainment and route guidance. Meridian audio with 12 speakers and 400 watts of power delivers quality sound throughout the cabin. Steering wheel-mounted controls keep essential functions within easy reach.

The 2.0-liter turbocharged engine paired with a 9-speed automatic transmission and all-wheel drive delivers responsive performance while achieving 20 city and 27 highway mpg. Four-wheel independent suspension and speed-sensing steering work together to provide composed handling and confident control. Electronic stability control and traction control maintain grip in challenging conditions.

Safety features include dual front and side airbags, occupant-sensing technology, and a comprehensive suite of electronic assistance systems. The rear parking camera provides visual confirmation when backing, while low tire pressure monitoring and a panic alarm add layers of protection. InControl Protect emergency communication connects you to assistance when needed.

This Range Rover Evoque R-Dynamic SE represents a thoughtfully engineered vehicle that brings together contemporary luxury, advanced technology, and capable all-weather capability for discerning drivers who value refinement and reliability.
