Description

This 2020 Land Rover Discovery Sport SE delivers refined capability and premium comfort for those who demand both functionality and style in their everyday drives. - Apple CarPlay and Android Auto integration - Heated leather seats with 12-way power adjustment and memory function - Navigation system with connected services - Meridian sound system with 380-watt output - Head-up display for key vehicle information - Heated steering wheel - Power liftgate with programmable height - Heated windscreen - ClearSight rearview mirror technology - Wireless device charging - Panoramic roof with fixed design - Cold climate convenience and technology packages included - Clean Carfax with no accidents reported - 19-inch alloy wheels - Bluetooth hands-free phone connectivity Finished in black with a sophisticated interior wrapped in quality leather this Discovery Sport presents as a well-maintained locally-traded vehicle with just over 36800 miles. The 2.0-liter turbocharged engine paired with a nine-speed automatic transmission and all-wheel drive provides balanced performance delivering 19 miles per gallon in the city and 24 on the highway. The commanding driving position combined with thoughtful technology integration creates an environment where every journey feels controlled and connected. Inside the carefully curated package of features speaks to Land Rover's commitment to passenger-focused design. The heated seats and climate control systems work together to ensure comfort throughout the year while the backup camera and available parking camera provide peace of mind during maneuvering. The navigation system keeps you oriented wherever you explore and the premium Meridian audio system transforms your commute into an acoustic experience. Safety systems throughout the vehicle work

silently to support your driving including electronic stability control traction control advanced airbag placement and four-wheel independent suspension tuned for composed handling. The combination of these systems with power-assisted steering and four-wheel disc brakes with ABS creates a vehicle engineered for confident operation in varied conditions. This Discovery Sport represents an opportunity to own a Land Rover recognized for capability and refinement without compromise. The vehicle's condition combined with its full complement of premium features and technology positions it as a considered choice for discerning buyers.
