Description

This 2017 Land Rover Range Rover Evoque delivers sophisticated styling and capable all-wheel drive performance in a refined white exterior that commands attention on the road.- Heated Front & Rear Seats- Heated Steering Wheel- Navigation System with Voice Control- Heated Windshield- Heated Windshield Washer Jets- Cold Climate Convenience Package- 2.0L Turbocharged Engine with 9-Speed Automatic- 4-Wheel Independent Suspension- Exterior Parking Camera Rear- 12-Way Electric Front Bucket Seats- Leather Steering Wheel- Remote Keyless Entry- Split Folding Rear Seat- 8-Speaker Sound System with SD NavigationThis vehicle combines luxury and practicality through thoughtful amenities designed for comfort and convenience. The heated front and rear seats, along with the heated steering wheel, ensure passenger comfort during colder months. The navigation system with voice control and the comprehensive audio setup keep you connected and entertained throughout your journeys. The Cold Climate Convenience Package provides

additional features that enhance cold-weather driving. The 2.0L turbocharged engine paired with a 9-speed automatic transmission delivers responsive performance while achieving 21 city MPG and 29 highway MPG. Four-wheel drive capability with four-wheel independent suspension provides confident handling and all-terrain composure. Electronic stability control, traction control, and brake assist work together to enhance safety and control in various driving conditions. Inside, the cabin reflects quality and attention to detail. Twelve-way electric front bucket seats with leather trim accommodate driver and passenger preferences, while the split-folding rear seat adds flexibility for passengers and cargo. Dual-zone automatic temperature control, power windows, and power door mirrors contribute to an accommodating environment for all occupants. Safety features include dual front impact airbags, dual front side impact airbags, knee airbags, and overhead airbags. An exterior parking camera rear view assists with reversing, while the security system and low tire pressure warning provide additional peace of mind. The emergency communication system InControl Protect offers added protection. The Range Rover Evoque stands ready to serve your lifestyle with refined capability and modern convenience. We invite you to visit our showroom to experience this vehicle firsthand and discuss how it can meet your transportation needs.
