Advanced safety features include dual front and side impact airbags, overhead airbags, electronic stability control, traction control, and brake assist. Rear exterior parking camera provides clear visibility when maneuvering. Four-wheel disc ABS brakes with speed-sensing steering contribute to confident vehicle control in varied driving scenarios.

Climate and convenience features address year-round driving demands. The heated windscreen, heated door mirrors, and heated washer jets ensure clear visibility during winter months. The cold climate pack prepares the vehicle for demanding weather. Rain-sensing wipers and speed-sensitive wipers automatically adjust to conditions, while the auto-dimming rear-view mirror reduces glare. Dual-zone front air conditioning and rear window defroster complete the climate management system.

With one owner and Land Rover's comprehensive certification program supporting this vehicle, you can drive with confidence knowing this 2023 Defender 110 SE has been thoroughly inspected and is ready to serve you reliably for years to come.
