This 2020 Land Rover Range Rover Sport HSE represents a sophisticated choice for drivers who value capability and refined comfort.

- Drive Pro Package with advanced driver assistance technology
- Vision Assist Package for enhanced visibility and awareness
- Head-Up Display for convenient information access
- Adaptive Cruise Control with Stop & Go functionality
- Blind Spot Assist for added confidence in traffic
- Auto High Beam Assist for optimized nighttime visibility
- High Speed Emergency Braking system
- Configurable Ambient Interior Lighting
- 3.0L Turbocharged I6 engine with 8-Speed Automatic transmission
- 4-Wheel Independent Suspension with auto-leveling capability
- Navigation System with Apple CarPlay and Android Auto

integration

- Meridian Sound System with 13 speakers and SiriusXM capability
- 16-Way Heated Front Seats with Memory settings
- Perforated Windsor Leather Seat Trim
- 20" 5 Split-Spoke alloy wheels

The Silver exterior presents a clean, professional appearance that suits any setting. Inside, you'll find a thoughtfully designed cabin that balances luxury with practicality. The 16-way heated front seats with memory recall ensure every drive feels personalized, while the perforated Windsor leather trim adds a touch of refinement that withstands daily use.

The Drive Pro and Vision Assist packages provide comprehensive technology designed to support your driving. Adaptive Cruise Control with Stop & Go simplifies highway travel and urban commuting alike. Blind Spot Assist, Auto High Beam Assist, and High Speed Emergency Braking work together to enhance safety awareness. The Head-Up Display keeps essential information within your line of sight without distraction.

Entertainment and connectivity are handled with sophistication through the Meridian Sound System, which delivers 380 watts across 13 speakers. Apple CarPlay and Android Auto integration means your smartphone integrates seamlessly with the navigation and media controls. SiriusXM satellite radio offers unlimited entertainment options.

The 3.0L Turbocharged I6 engine paired with an 8-Speed Automatic transmission delivers 19 city and 24 highway MPG. Four-wheel drive and four-wheel independent suspension provide the capability this vehicle was built for, whether navigating varied terrain or managing daily driving challenges. The auto-leveling suspension automatically adjusts to maintain comfort regardless of load.

This Range Rover Sport HSE combines proven engineering with modern convenience features that make every journey more controlled and enjoyable. We invite you to schedule a time to experience this vehicle firsthand and discover why it stands as a compelling option in its class.
