With minimal mileage at just 5 miles, this vehicle arrives virtually untouched and ready for your ownership. The 2.0L turbocharged engine paired with a 9-speed automatic transmission and all-wheel drive delivers responsive performance with fuel efficiency rated at 19 city and 23 highway miles per gallon.

Inside, you'll find luxury appointments that prioritize your comfort across all three rows. The DuoLeather seat trim with contrast stitching creates an upscale cabin environment, while the cold climate and comfort packages work together to ensure year-round driving satisfaction. Climate zones throughout the vehicle, from front dual-zone air conditioning to rear air conditioning and heated seats in the second and third rows, allow every passenger to customize their comfort.

Technology integration seamlessly connects your digital world. The Pivi Pro navigation system, combined with Apple CarPlay and Android Auto compatibility, keeps you informed and entertained. The Meridian surround sound system delivers quality audio through 11 speakers, while steering wheel-mounted controls let you manage entertainment without taking your hands off the wheel.

Safety features run throughout the vehicle, including multiple airbag placement, electronic stability control, and an exterior parking camera to assist with visibility. The emergency communication system and security features provide peace of mind on every drive.
