Description

This 2020 Land Rover Range Rover Velar S combines refined design with capable performance, delivering a sophisticated driving experience for those who demand both style and substance. - 2.0L Turbocharged Engine with 247 Horsepower - 8-Speed Automatic Transmission with 4WD - Meridian Sound System (380W) with 11 Speakers - Apple CarPlay Android Auto Integration - Navigation System with Rear Parking Camera - Power Moonroof - Perforated Grained Leather Seat Trim - 14-Way Adjustable Front Seats with Memory - Automatic Headlights with Headlight Cleaning - Auto-Dimming Rear-View Mirror - Heated Power Door Mirrors with Memory - Four-Wheel Independent Suspension - 4-Wheel Disc Brakes with ABS and Brake Assist - 19-Inch 5-Spoke Alloy Wheels - Dual Zone Automatic Climate Control The exterior presents a striking Black finish complemented by body-color bumpers and a spoiler that reinforces its athletic stance. The headlights feature automatic operation with cleaning capability, while rain-sensing wipers ensure clear

visibility in all weather conditions. At 19 inches, the stylish alloy wheels provide both presence and capability. Inside, the cabin reflects Land Rover's commitment to comfort and technology. The Meridian sound system delivers premium audio through 11 speakers, while Apple CarPlay and Android Auto keep you connected on every journey. The navigation system guides your route, and the rear parking camera assists with precision when maneuvering. Climate control operates independently for front and rear passengers, ensuring personalized comfort. The leather-trimmed front bucket seats adjust through 14 different positions with memory settings, so your perfect driving position is saved automatically. The power moonroof opens to natural light and fresh air, enhancing the cabin's sense of space. A telescoping steering wheel with memory function adjusts to your preferences, and the split-folding rear seat accommodates both passengers and cargo as needed. Driving this Velar S provides responsive control through four-wheel independent suspension and speed-sensing steering that adapts to your driving conditions. The turbocharged engine delivers 247 horsepower paired with an 8-speed automatic transmission, while four-wheel drive ensures capable handling across varied terrain. Fuel efficiency reaches 21 city and 27 highway miles per gallon, balancing power with practical consumption. Safety features include dual front impact airbags, front and rear side airbags, and overhead airbags throughout the cabin. Electronic stability control, traction control, and an emergency communication system provide comprehensive protection. The vehicle is equipped with a security system and panic alarm for your peace of mind. This 2020 Range Rover Velar S represents an opportunity to own a vehicle that successfully bridges luxury, technology, and genuine capability. We invite you to visit our showroom to experience its commanding presence and refined interior firsthand.
