Description

Welcome to Land Rover Reno. All of our preowned vehicles are hand picked and inspected for your peace of mind. Please contact us directly @ 775-332-4000 or email direct to leads@drivelandroverreno.com- Black Design Package- 825 Watt Meridian Premium Surround Sound- Fog Lamp & Headlamps w/Smoked Finish- Narvik Black Front/Rear Bumper Guard- 20" 5-Split Spoke Alloy Wheels- InControl Touch Pro Navigation System- 12-Way Heated Dynamic Style Front Sport Seats- Oxford Leather w/Perforated Mid-Section Seat Trim- Xenon High Intensity Discharge Headlights- Auto-dimming Rear-View Mirror- Exterior Parking Camera Rear- Adaptive Suspension with Four Wheel Independent Setup- Electronic Stability Control with Traction Control- Emergency Communication System: InControl ProtectThe 2017 Land Rover Range Rover Evoque HSE Dynamic in Carpathian Grey Metallic presents a sophisticated option for discerning drivers. This vehicle combines premium styling with practical capability, offering a refined driving experience across varied

terrain and road conditions. Powered by a 2.0L turbocharged engine paired with a 9-speed automatic transmission and 4WD capability, this Evoque delivers strong performance efficiency, achieving 21 city miles per gallon and 29 highway miles per gallon. The 3.75 axle ratio contributes to balanced handling and acceleration characteristics suited to diverse driving situations. The interior showcases premium appointments including 12-way heated dynamic style front sport seats finished in Oxford leather with perforated mid-sections. Dual-zone automatic temperature control, memory seating, and a leather steering wheel create a comfortable, personalized environment. The InControl Touch Pro navigation system with an 825-watt Meridian premium surround sound system featuring 11 speakers provides intuitive control and quality audio entertainment. Safety and visibility are prioritized with xenon high intensity discharge headlights, fog lamps with smoked finish, auto high-beam functionality, and an exterior parking camera rear. The vehicle includes dual front and side impact airbags, knee airbags, overhead airbags, and an advanced emergency communication system through InControl Protect. Four-wheel disc brakes with ABS, adaptive suspension, and electronic stability control with traction control provide confident stopping and handling capabilities. The Black Design Package adds visual distinction with the Narvik black front and rear bumper guards complementing the 20-inch 5-split spoke alloy wheels. Speed-sensing steering, speed-sensitive wipers with rain sensing capability, and a comprehensive array of convenience features including remote keyless entry, power liftgate, HomeLink garage door transmitter, and trip computer make daily operation straightforward and enjoyable. This 2017 Range Rover Evoque HSE Dynamic represents a well-equipped luxury compact crossover backed by our hand-picked inspection process. We encourage you to contact our team to schedule a viewing and experience this vehicle firsthand.
