2026 Land Rover Range Rover Evoque S: Refined Luxury for the Discerning Driver

The 2026 Land Rover Range Rover Evoque S represents the pinnacle of compact luxury, blending sophisticated design with the effortless capability required for the surrounding area. Draped in an exquisite **Tribeca Blue Metallic** exterior, this sport utility vehicle commands attention whether parked at an upscale coastal venue or navigating vibrant metropolitan streets. Inside, the cabin welcomes you with premium **DuoLeather leather and leatherette front seat upholstery**, creating a serene sanctuary away from the hustle of daily life.

Designed for those who appreciate both style and substance, the Evoque S delivers an unmatched driving experience. To explore this exceptional vehicle in person, we invite you to [speak with our luxury vehicle specialists](#) today.

Dynamic Performance and All-Weather Capability

Beneath its sculpted hood, the Evoque S features a refined **2L I-4 gasoline direct injection engine with 246HP**, paired with an advanced **9-speed automatic** transmission. This powertrain delivers smooth, responsive acceleration while maintaining impressive efficiency, offering an EPA-estimated **20 mpg city and 27 mpg highway**. Standard **All Wheel Drive** ensures maximum traction, complemented by **Efficient Driveline automatic full-time AWD** and the innovative **Terrain Response 2 driver selectable drivetrain mode**. Whether navigating sudden tropical downpours or exploring scenic coastal routes, the **independent front and rear suspension** works in harmony with the **Standard ride suspension** to deliver a composed, whisper-quiet ride. With features like **All Terrain Progress Control** and **Hill Descent Control**, this luxury sport utility is engineered to handle diverse driving conditions with absolute confidence.

State-of-the-Art Technology and Infotainment

Step inside to discover a high-tech oasis designed to keep you connected and entertained. The modern dashboard is anchored by a stunning **11.4 inch primary display touchscreen** alongside a **12.3 inch Interactive Driver Display** for configurable instrumentation. Seamlessly integrate your smartphone using **Apple CarPlay & Android Auto** smart device mirroring, and keep your devices powered up with the convenient front **wireless device charging** pad. Audio enthusiasts will enjoy the premium **Meridian Sound System**, which utilizes **12 speakers** and a powerful **400W amplifier** to deliver concert-quality sound throughout the cabin. Finding your destination is effortless thanks to the integrated **InControl Navigation Pro** system with voice activation. If you would like to experience these advanced features firsthand, you can [contact our team](#) to schedule a personal demonstration.
