Description

The 2026 Land Rover Discovery Sport Landmark delivers refined capability with a sophisticated presence, combining versatile design with thoughtful engineering for those who value both capability and comfort.

- 2.0L I4 Turbocharged Engine with 9-Speed Automatic AWD
- Pivi Pro Navigation System
- Meridian Sound System with 11 Speakers and SiriusXM
- Apple CarPlay & Android Auto Integration
- 12-Way Heated Electric Front Seats with Driver Memory
- Heated Steering Wheel
- Heated Windscreen and Door Mirrors
- Front Dual Zone Automatic Temperature Control with Rear Air Conditioning
- Power Liftgate with Remote Keyless Entry

- Cold Climate Package
- Interior Protection Package
- 20" Gloss Black Alloy Wheels
- Auto High-Beam Headlights with Front Fog Lights
- Four-Wheel Independent Suspension with Electronic Stability Control
- Rear Parking Camera and InControl Protect Emergency Communication

This Discovery Sport arrives with just 10 miles, representing a fresh opportunity to drive a vehicle designed with meticulous attention to detail. The White exterior pairs elegantly with premium finishes throughout, while the turbocharged engine delivers responsive performance paired with commendable efficiency at 19 city and 23 highway miles per gallon.

The cabin reflects Land Rover's commitment to quality, featuring DuoLeather seat trim with contrast stitching and heated front bucket seats that adjust via 12-way power controls with driver memory settings. The Meridian Sound System with 11 speakers and integrated SiriusXM creates an engaging audio environment, while Pivi Pro navigation and smartphone integration through Apple CarPlay and Android Auto keep you connected and informed.

Climate management extends throughout the cabin with front dual-zone automatic temperature control, rear air conditioning, a heated windscreen, and heated door mirrors—all particularly valuable thanks to the Cold Climate Package inclusion. The heated steering wheel adds another layer of comfort during colder months, ensuring every journey feels well-considered.

Practical features enhance daily usability, including a power liftgate for convenient cargo access, rain-sensing wipers, and a rear window wiper for optimal visibility. The four-wheel independent suspension combined with all-wheel drive capability provides composed handling across varying road conditions, while electronic stability control and traction management systems work seamlessly to maintain grip and control.

Safety is integrated throughout with dual front and side impact airbags, an overhead airbag, electronic stability control, ABS brakes, and rear parking camera assistance. The InControl Protect emergency communication system adds another layer of security and peace of mind.

Price does not include tax, title, and licensing fees.
