Description

Check out this great low mileage vehicle! Boasting the latest technological features inside an attractive and versatile package! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. The following features are included: air conditioning, a power rear cargo door, and power windows. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive Our sales reps are knowledgeable and professional. We'd be happy to answer any questions that you may have. We are here to help you.
