Description

This stunning 2020 Land Rover Range Rover Evoque SE in striking red offers the perfect blend of sophistication and capability for the discerning driver who values both style and substance.- Cold Climate Convenience Package- Interior Luxury Pack Plus- 16-Way Massaging Heated & Cooled Front Seats with Memory- Heated Steering Wheel- Full Extended Leather Upgrade- Touch Pro Duo Infotainment with Navigation- 380 Watt Meridian Sound System with 10-Speakers- Apple CarPlay and Android Auto- Heated Windshield and Heated Washer Jets- InControl Navigation Pro- Exterior Parking Camera- 20" 5 Split-Spoke Wheels- Auto High-beam Headlights with Delay-off- Rear Fog Lights- Speed-Sensing WipersWith excellent service history and just under 60,000 miles, this Evoque has been meticulously maintained and represents a vehicle that has been cared for throughout its ownership. The robust four-wheel independent suspension and advanced electronic stability control combine to deliver confident handling on any road surface, whether

navigating city streets or venturing into more challenging terrain. Inside, you'll discover an environment crafted for comfort and convenience. The dual front zone climate control keeps both driver and passenger at their ideal temperature, while the massaging heated and cooled front seats with memory settings provide an exceptional driving experience. The heated steering wheel adds an extra touch of luxury during cooler months, and the full extended leather upgrade throughout the cabin creates an upscale atmosphere. Technology integration is seamless with Touch Pro Duo Infotainment paired with InControl Navigation Pro, offering intuitive control of your vehicle's features. Apple CarPlay and Android Auto connectivity ensure your smartphone integrates naturally with the system, while the 380 Watt Meridian sound system with ten speakers delivers premium audio quality for every journey. The Evoque's practical design includes a power liftgate for easy loading, split folding rear seats for flexible cargo arrangement, and an exterior parking camera to assist with maneuvering. The 20-inch five split-spoke wheels provide both visual appeal and dynamic performance, complemented by four-wheel disc brakes with ABS for responsive stopping power. This vehicle delivers an estimated 20 city MPG and 27 highway MPG, balancing performance with efficiency through its I4 engine and nine-speed automatic transmission with all-wheel drive.
