Description

This 2017 Land Rover Discovery Sport HSE delivers capable performance and refined comfort for drivers who demand both utility and sophistication on any terrain. - Radio: 190W Audio System w/10 Speakers - Front dual zone A/C - Remote keyless entry - Power Liftgate - 10-Way Power Front Seats w/Memory - Garage door transmitter: HomeLink - Volumetric Alarm - Automatic temperature control - Rear window defroster - High intensity discharge headlights: Bi-Xenon - Front fog lights - Heated door mirrors - Power door mirrors - Exterior Parking Camera Rear - Emergency communication system: InControl Protect The Discovery Sport HSE combines a turbocharged 2.0L four-cylinder engine with a nine-speed automatic transmission and all-wheel drive, delivering 20 city and 25 highway MPG. This configuration balances responsive acceleration with fuel efficiency, making daily commutes and weekend adventures equally practical. The four-wheel independent suspension provides composed handling across varied road conditions, while electronic stability control and traction control enhance confidence in challenging environments. Comfort features throughout the cabin reflect Land Rovers attention to driver satisfaction. Ten-way power front seats with memory settings allow you to find your ideal driving position instantly. Dual-zone automatic climate control maintains personalized temperature preferences for driver and passenger, while the leather steering wheel and telescoping, tilting steering column ensure an ergonomic setup for any body type. Technology integration supports both convenience and safety. The 190-watt audio system with ten speakers delivers quality sound, while steering wheel-mounted controls keep essential functions within reach. Remote keyless entry, HomeLink garage door transmitter, and

the power liftgate simplify everyday tasks. A rear-view camera and rear parking sensors assist with backing safely into tight spaces, and the volumetric alarm system protects your investment. The Discovery Sport HSE presents 18-inch sparkle silver five-spoke alloy wheels beneath a black exterior, creating a commanding presence on the road. Bi-xenon headlights with automatic on-off capability and rain-sensing wipers ensure visibility remains optimal in variable weather. Body-color bumpers and a rear spoiler contribute to the vehicles cohesive appearance. Safety systems are comprehensive, including dual front and side-impact airbags, a knee airbag, and overhead airbags positioned throughout the cabin. Four-wheel disc brakes with ABS provide confident stopping power, while the low tire pressure warning system helps maintain proper inflation. Land Rovers InControl Protect emergency communication system connects you with roadside assistance when needed. This Discovery Sport delivers Land Rover capability with practical features designed for active ownership. We invite you to schedule a test drive and experience how this vehicle performs. All Used vehicle pricing: Price does not include licensing costs, registration fees and taxes which are to be paid by the consumer. Prices include \$280 dealer doc fee and \$34 CVR Fee.
