The Landmark trim balances efficiency with

capability, providing the vehicle control you need across varying conditions while maintaining reasonable fuel economy. The interior reflects Land Rovers attention to detail. Front passengers enjoy 12-way heated electric seats with driver memory function, while the rear seats also feature heating for passenger comfort in colder months. The heated steering wheel and windscreen demonstrate the thoughtful engineering throughout the Cold Climate Package. Meridian premium audio with eleven speakers transforms your driving experience, while Apple CarPlay and Android Auto integration keeps your smartphone seamlessly connected throughout every journey. Technology enhances both convenience and safety. The Pivi Pro navigation system delivers clear route guidance, while the power liftgate simplifies cargo access. Auto high-beam headlights improve visibility during evening drives, and the rear parking camera provides added confidence when maneuvering. The emergency communication system offers an extra layer of security and peace of mind. The chassis rides on 20-inch Style 5079 Gloss Black wheels and benefits from four-wheel independent suspension with electronic stability control, providing composed handling across diverse road surfaces. Dual front impact airbags, front side impact airbags, knee airbags, and overhead airbags work together with brake assist to protect occupants. Additional features include remote keyless entry, power windows and door mirrors with heating, speed-sensitive and rain-sensing wipers, and dual-zone automatic climate control. The split-folding rear seat expands cargo flexibility, while HomeLink garage door integration adds daily convenience. We invite you to visit our showroom to experience this Discovery Sport firsthand. Our team is ready to answer your questions and arrange a test drive that demonstrates how well this vehicle aligns with your driving needs.
