Description

The 2026 Land Rover Discovery Sport Landmark delivers capable performance with refined comfort, combining advanced technology and practical design for those who value both sophistication and utility.

- Cold Climate Package
- Meridian Sound System with 11 speakers
- Navigation system: Pivi Pro
- Apple CarPlay & Android Auto
- Heated front seats with memory function
- 12-Way heated electric front seats with driver memory
- Heated rear seats
- Heated steering wheel
- Heated windscreen
- Heated door mirrors
- Power liftgate
- Four-wheel independent suspension
- Electronic stability control and traction control
- Speed-sensing steering
- Auto high-beam headlights with power wash

The exterior presents a clean White finish paired with 19" gloss black alloy wheels that balance modern styling with rugged capability. Thoughtful details include automatic headlights with delay-off function, front and rear fog lights, and rain-sensing wipers that respond to weather conditions. The heated windscreen and rear window defroster ensure optimal visibility year-round, particularly valuable in challenging climates.

Inside, the cabin accommodates passengers with genuine DuoLeather seat trim and contrasting stitching. The driver enjoys a 12-way heated electric seat with memory settings, while the front passenger seat offers power adjustment. Rear passengers benefit from heated seats and a center armrest for added comfort on longer journeys. Dual-zone automatic temperature control and rear air conditioning maintain comfort for all occupants.

Technology integrates seamlessly into daily driving through the Pivi Pro navigation system, SiriusXM satellite radio, and smartphone integration via Apple CarPlay and Android Auto. Steering wheel-mounted audio controls keep essential functions within reach, while the emergency communication system provides additional peace of mind.

Safety features include dual front impact airbags, dual front side impact airbags, knee airbags, and overhead airbags working alongside electronic stability control, traction control, and four-wheel disc brakes with ABS. Speed-sensing steering and independent front and rear anti-roll bars contribute to confident handling in varied conditions.

The 2.0-liter turbocharged four-cylinder engine delivers consistent performance, achieving 19 city and 23 highway mpg while paired with a nine-speed automatic transmission and all-wheel drive. This combination provides responsive capability for daily driving and weekend adventures alike.

We invite you to visit our showroom to experience the Discovery Sport Landmark firsthand and discover why this vehicle appeals to discerning buyers seeking quality, capability, and refined comfort.
