## Description

# 2026 Land Rover Range Rover Evoque S: Elevated Luxury and Modern Style

The 2026 Land Rover Range Rover Evoque S offers a perfect blend of sophisticated design and everyday versatility, making it an exceptional choice for drivers in the surrounding area. Sporting a clean **Fuji White** exterior, this luxury sport utility vehicle commands attention whether parked along coastal avenues or cruising through downtown streets. Inside, the cabin welcomes you with premium **DuoLeather leather and leatherette front seat upholstery**, providing an upscale environment that prioritizes comfort. Designed for those who

appreciate both aesthetic refinement and practical capability, this vehicle is tailored for modern lifestyles. Its compact footprint ensures effortless maneuvering through tight spaces, while the generous cargo capacity easily accommodates gear for weekend escapes. Experience a refined driving experience that elevates every journey, blending iconic British styling with contemporary luxury.

## Dynamic Performance and All-Terrain Mastery

Under the hood, the 2026 Land Rover Range Rover Evoque S features a highly capable **2L I-4 gasoline direct injection, DOHC, variable valve control, intercooled turbo, premium unleaded, engine with 246HP**. This refined powerplant is mated to a smooth-shifting **9-speed automatic transmission**, delivering responsive acceleration and effortless highway cruising. Power is distributed to all four wheels via an advanced **All Wheel Drive** system, or more specifically, the **Efficient Driveline automatic full-time AWD** system. This setup ensures confident traction and stability across varying road surfaces. Drivers can customize their experience using the **Terrain Response 2 driver selectable drivetrain mode** or utilize the **All Terrain Progress Control (ATPC) off-road speed control** for challenging conditions. With an efficient fuel economy rating of **20 city MPG** and **27 hwy MPG**, this luxury sport utility vehicle balances spirited performance with sensible efficiency, making it an ideal companion for both daily commutes and longer regional road trips.

## Advanced Technology and Seamless Connectivity

The cabin of the Evoque S is a hub of modern technology, designed to keep you connected and entertained on every drive. At the center of the dashboard sits a striking **11.4 inch primary display** touchscreen, providing intuitive access to the **InControl Navigation Pro integrated navigation system with voice activation**. Seamless smartphone integration is standard with **Apple CarPlay & Android Auto**, allowing you to access your favorite apps, playlists, and contacts effortlessly. Drivers will appreciate the **Interactive Driver Display digital/analog instrumentation display** with its **12.30-inch gauge cluster display size**, which presents vital driving information clearly. Audio enthusiasts will enjoy the premium sound delivered by the **Meridian Sound System** featuring **12 Speakers** and a **400W amplifier**. Additionally, a **Front wireless smart device charging** pad ensures your compatible phone stays powered up without the clutter of cables.

# Key Highlights

Discover the standout features that make this luxury sport utility vehicle exceptional:

- **Sliding and Tilting Glass Sunroof** - Floods the cabin with natural light and fresh air at the touch of a button.
- **12-Way Heated Electric Front Seats** - Offers personalized comfort with driver memory settings for a tailored driving position.
- **3D Surround Camera** - Provides a comprehensive aerial view to make parking and tight maneuvers stress-free.
- **Blind Spot Assist** - Actively monitors your surroundings to help prevent collision hazards on busy highways.
- **Power Liftgate** - Simplifies loading and unloading cargo with convenient automated access.
- **Traffic Sign Recognition** - Automatically detects and displays local speed limits to keep you informed.
