- Dual front and side impact airbags plus overhead airbag
- Remote keyless entry with HomeLink garage door transmitter
- Speed-sensing power steering and steering wheel mounted audio controls

The Defender 110 SE is built on a foundation of advanced safety technology. Four-wheel disc brakes with ABS provide confident stopping power while comprehensive airbag protection and electronic stability control systems work together to protect you and your passengers. The speed-sensing suspension adapts to your driving conditions delivering responsive handling whether navigating city streets or pursuing off-road adventures.

Inside the cabin you'll find thoughtfully designed comfort for extended driving. The heated and ventilated front seats with memory functions adjust to your preferences while dual-zone automatic climate control maintains your ideal temperature. The premium leather steering wheel and shift knob enhance the driving experience and the split-folding rear seat offers flexible cargo configurations for your lifestyle needs.

- 165 Point Inspection

- Roadside Assistance
- Warranty Deductible: $0
