2026 Range Rover Sport P360 SE Homegrown Monterey Vehicle 1 Owner Only 6,895 Miles

This is the kind of pre-owned Range Rover Sport we love putting on our lot. This 2026 Range Rover Sport P360 SE is a true homegrown Monterey vehicle sold here, serviced here, and now back home with us with only 6,895 miles.

Finished in timeless Fuji White over a beautiful Light Cloud perforated Windsor leather interior, this Sport has the clean, sophisticated look that suits the Monterey Peninsula perfectly. Better yet, CARFAX shows it as a 1-owner California personal vehicle with no accidents or damage reported and documented service history.

This isn't just a great-looking Sport it was nicely equipped from the factory.

The P360 mild-hybrid powertrain is a great match for the Range Rover Sport smooth and refined around town with plenty of power when the road opens up. Combine that with the Sport's sophisticated chassis and legendary Land Rover capability, and you have an SUV that's equally comfortable heading to dinner in Carmel or taking the long way home down Highway 1.

What really separates this Range Rover Sport from the average used example is its history with our dealership. We know this vehicle because it was sold and serviced right here at Jaguar Land Rover Volvo Cars Monterey.

Its documented maintenance includes:

Steering and suspension checked
Emission system checked
Vehicle washed and detailed

Finding a current-generation Range Rover Sport with under 7,000 miles, one-owner California history, no accidents reported, and a service history with the selling dealer is exactly what you want when shopping pre-owned.
