Description

2023 Land Rover Range Rover Autobiography: Unmatched Luxury and Presence

The 2023 Land Rover Range Rover Autobiography stands as an undeniable benchmark of modern luxury, effortlessly blending commanding presence with bespoke craftsmanship. Wrapped in a stunning Ethereal Frost Silver SV Bespoke Ultra Metallic Sa exterior, this flagship SUV instantly attracts discerning drivers who demand non-negotiable prestige. Step inside to discover a serene cabin dressed in rich Caraway/Caraway tones featuring premium **Near-Aniline leather front seat upholstery**, crafted to turn every commute across the region into a first-class escape. Whether navigating open highways or arriving at exclusive venues, this vehicle delivers quiet confidence and uncompromised sophistication. We invite you to plan your visit to our showroom to experience this magnificent vehicle in person and discover what sets the Autobiography trim apart from all others.

Exceptional V8 Performance and All-Wheel Drive Capability

Under the sculpted hood resides a formidable 4.4L V-8 direct injection, DOHC, variable valve control, twin turbo, premium gasoline, engine with 523HP. Power is managed seamlessly by a refined ZF 8-Speed Automatic transmission and an intelligent **All Wheel Drive** system, ensuring poised acceleration and calm composure in all driving environments. Achieving an EPA-estimated 16 city mpg and 21 hwy mpg, this powertrain is engineered for effortless long-distance cruising. The advanced chassis architecture features dynamic suspension technologies including Adaptive Dynamics with eHorizon predictive ride suspension, Dynamic Response Pro standard ride suspension, and automatic height adjustable suspension with driver control. Off-road poise and highway stability are further elevated by an Electronic Active Differential with TVbB electro-mechanical

limited slip differential alongside a **Rear-wheel steering system** for tight maneuvering. If you wish to learn more about performance specifications, feel free to give our knowledgeable sales representatives a call today.

Advanced Technology and First-Class Amenities

Inside the whisper-quiet cabin, cutting-edge technology merges with artisan detail. Drivers are greeted by a 13.70-inch Interactive Driver Display digital instrument cluster complemented by a **Head-up display** projecting critical driving metrics directly onto the windshield. Central controls revolve around a crisp 13.1-inch primary display touchscreen running Pivi Pro Connected Navigation integrated navigation system with voice activation. Audio is reproduced with concert-hall clarity through a **Meridian Signature Sound System** backed by 35 speakers and a 1600W amplifier. Rear passengers enjoy a dedicated rear entertainment system equipped with dual 11.4-inch second-row displays. Additional connectivity features include **Wireless Apple CarPlay/Wireless Android Auto** smart device mirroring, Qi-compatible front wireless smart device charging, Amazon Alexa voice activated audio controls, and a **ClearSight video-feed rearview mirror**. To explore these tailored tech options firsthand, consider contacting our luxury vehicle specialists.
