PORTING PRESENCE, LUXURY COMFORT: 2025 RANGE ROVER SPORT DYNAMIC SE

Athletic, polished and loaded with the features that matter, this 2025 Range Rover Sport Dynamic SE delivers the best of both worlds: a bold, sporting personality and the effortless luxury that defines the Range Rover name. Finished in Santorini Black over a deep Garnet and Ebony leather interior, it makes a powerful first impression and rewards you with comfort and convenience on every drive.

COMMANDING PRESENCE
Santorini Black gives the Range Rover Sports sculpted, muscular lines a deep, polished glow. Striking 23-inch black wheels fill the arches and underline the Dynamic SEs purposeful, performance-minded stance. The result is a confident, monochromatic look that stands out in any parking lot and turns heads wherever it goes.

COMFORT FOR EVERYONE ONBOARD
This is where the Range Rover Sport truly shines. The deep Garnet and Ebony leather interior wraps the cabin in rich color and a tailored, upscale feel, and it contrasts beautifully with the dark exterior. The 20-way heated and cooled front seats let you fine-tune your position with remarkable precision, then keep you comfortable in every season with warmth on frosty mornings and cooling relief on hot summer days. Passengers in the back are treated just as well, with heated and cooled rear seats that make every seat the best seat in the house. Whether you are commuting, hosting clients or setting off on a family road trip, everyone arrives relaxed and refreshed.

EFFORTLESS CONVENIENCE
Park Assist helps take the stress out of tight spaces, guiding you into parallel and perpendicular spots with confidence. Soft Door Close adds another touch of refinement, gently pulling each door fully shut with a quiet, satisfying precision so you never need to slam a door again.

THE DYNAMIC SE DIFFERENCE
The Dynamic SE brings a sportier edge to the Range Rover Sport lineup, blending athletic character, advanced technology and uncompromising craftsmanship. A commanding driving position, a composed, controlled ride and a serene, well-insulated cabin come together to deliver an experience that is both exhilarating and effortlessly comfortable, whether you are heading across town or across the country.

BUILT TO IMPRESS
From its dramatic Santorini Black exterior to its rich Garnet and Ebony cabin and long list of comfort and convenience features, this Range Rover Sport is designed to make every journey feel special. It is calm, capable and unmistakably Range Rover.
