Description

2026 Land Rover Range Rover P530 SE 7 Seat: Unrivaled Luxury Meets Seven-Passenger Capability

The **2026 Land Rover Range Rover P530 SE 7 Seat** redefines modern luxury, combining a commanding presence with versatile accommodations for up to seven passengers. Draped in a timeless **Black** exterior, this factory-certified vehicle brings supreme sophistication to every drive across the region. Inside, high-grade **Semi-Aniline Leather Front Seats** set the tone for an opulent sanctuary crafted for discerning drivers who demand both prestige and everyday practicality. If you have questions about this flagship SUV, please call us at (754) 296-7602 to speak with our dedicated team.

Exceptional V8 Power and Dynamic Capability

Underneath the sculpted hood resides a formidable **4.4L V-8 direct injection, DOHC, variable valve control, twin turbo, premium gasoline, engine with 523HP**. Power is seamlessly delivered through a **ZF 8-Speed Automatic** transmission

paired with permanent **All Wheel Drive**, offering confident traction across all road conditions while achieving an EPA-estimated 16 city / 23 hwy MPG. Advanced driving dynamics are enhanced by **Adaptive Dynamics with eHorizon predictive ride suspension** and **Auto-leveling front and rear suspension**, ensuring an effortless ride regardless of the road surface. The integrated **Rear-wheel steering system** provides extraordinary agility in tight spaces, while the **Electronic Active Differential with TVbB electro-mechanical limited slip differential** optimizes cornering stability. For added utility, this flagship SUV includes **Trailer Stability Assist (TSA) trailer sway control**, a **Class IV tow rating**, and **Advanced Tow Assist** to simplify hitching and maneuvering. You can easily plan your visit to our dealership to experience this performance firsthand.

State-of-the-Art Technology and Convenience

Step inside an intuitive digital cockpit centered around a high-definition **13.1 inch primary display** utilizing the advanced **Pivi Pro Connected Navigation** system. Driver information is clearly presented on a **13.70 inch Interactive Driver Display**, allowing key vehicle stats and route instructions to stay directly in your line of sight. Seamless smartphone pairing comes standard via **Apple CarPlay & Android Auto** smart device wireless mirroring, supported by **Qi-compatible front wireless smart device charging** to keep your devices powered without cluttered cables. Audio is transformed into a concert-like experience through the **Meridian Sound System**, utilizing a 400W amplifier and 15 strategically placed speakers. Driver assistance technology runs deep with a **3D Surround Camera**, **Blind Spot Assist**, **Lane Keep Assist**, and **Traffic Sign Recognition and Adaptive Speed Limiter**, giving you complete peace of mind on long highway journeys.
