Description

2023 Land Rover Defender 130 X-Dynamic SE – Command the Road with Superior Luxury

The 2023 Land Rover Defender 130 X-Dynamic SE strikes a perfect balance between iconic rugged heritage and modern, full-size luxury. Engineered to accommodate up to eight passengers without compromising on sophistication, this extended-body SUV provides an elevated driving experience for daily commutes and expansive highway journeys alike. Finished in a understated Gray exterior over an Ebony interior, the cabin pairs Grained Leather with durable Robustek cloth seating. If you are seeking an adventurous yet refined vehicle, you can reach out to our sales team at (305) 909-4000 or visit our modern showroom to experience this exceptional three-row SUV in person.

Performance & Capability

Under the hood, the Defender 130 X-Dynamic SE is powered by an Ingenium 3L I-6 direct injection, DOHC, CVVL variable valve control, intercooled turbo engine paired with a mild hybrid electric system, producing 395HP. Managing this power is a responsive ZF 8-Speed Automatic transmission working in tandem with a permanent All Wheel Drive system. Delivering an estimated 17 city and 21 hwy mpg on premium gasoline, this powertrain provides impressive efficiency alongside robust performance. Driver-selectable Terrain Response modes allow you to adapt powertrain and chassis calibrations to match changing road surface conditions instantly. Furthermore, Adaptive Dynamics paired with auto-leveling front and rear air

springs ensures optimal body control and exceptional ride comfort over smooth pavement or rougher terrain. Supported by a 3.55 axle ratio, an electronic transfer case, Hill Descent Control, and Hill Launch Assist, this luxury SUV offers uncompromised confidence behind the wheel.

Technology & Connectivity

Inside the cabin, advanced intuitive technology keeps every passenger connected and entertained. The dash features an 11.4-inch primary touchscreen running the Connected Navigation PIVI Pro integrated navigation system with voice activation, complemented by a 12.3-inch Interactive Driver Display digital gauge cluster. Seamless smart device integration is provided via Apple CarPlay and Android Auto mirroring, supported by front wireless smart device charging and five conveniently located USB ports. Audio performance is elevated by a 700W 15-speaker Meridian Surround Sound System with a dedicated digital signal processor. For effortless maneuvering, driver assist technologies include a 3D Surround Camera system with aerial view, ClearSight Ground View technology, Blind Spot Assist, Lane Keep Assist, and Traffic Sign Recognition with Adaptive Speed Limiter.

Key Highlights

This luxury three-row SUV comes equipped with premium comfort, capability, and technology features:

- **395HP Ingenium 3L Turbo I6 Engine** - Efficient mild-hybrid performance delivering smooth, responsive acceleration.
