Description

This 2017 Land Rover Range Rover HSE commands attention with its striking blue exterior and sophisticated ebony and cirrus leather interior. Powered by a 3.0L V6 Supercharged engine paired with an 8-speed automatic transmission, this 4WD SUV delivers commanding performance with EPA-estimated 17 city / 23 highway MPG. Actual mileage may vary. With 103,359 miles, this well-maintained example offers the perfect balance of capability and refined luxury for the discerning buyer.

- Bluetooth / Hands free
- Leather Seats with Memory
- Navigation / GPS with 10.2" Touchscreen
- Premium 380 Watt Meridian Audio System
- Heated & Cooled Front Bucket Seats
- Heated Front and Rear Seats
- Bi-Xenon HID Headlights with Cleaning
- Adaptive and Auto-Leveling Suspension
- Heated Steering Wheel
- 20" Premium Alloy Wheels

The Range Rover combines luxury and capability seamlessly. An array of premium amenities—from the Meridian premium audio to the power moonroof and HomeLink garage door transmitter—ensures every drive is refined and connected. Advanced safety features including dual front side impact airbags, electronic stability control, and an emergency communication system provide confidence on any road. We invite you to experience this exceptional Range Rover firsthand and discover why it remains a benchmark in the luxury SUV segment.
