Description

This 2018 Land Rover Discovery HSE is a commanding three-row SUV built for adventure and refined daily driving. Finished in leather with a supercharged V6 engine and full-time all-wheel drive, it delivers both capability and comfort. With just under 90,000 miles, this Discovery remains well-maintained and ready to serve an active household. - V6 Supercharged engine with ZF 8-speed automatic transmission - Leather interior with 12-way power front seats and memory settings - Navigation system with InControl Touch Pro and rear parking camera - Meridian premium audio system with Sirius XM satellite radio - Dual-zone automatic climate control with rear air conditioning - Heated exterior mirrors, power moonroof, and rain-sensing wipers - Electronic stability control, traction control, and all-wheel-independent suspension - Power liftgate and split-folding rear seats for flexible cargo space - Four-wheel disc brakes with emergency communication system - 20-inch alloy wheels with all-season tires The Discovery HSE combines capability with daily usability through its spacious three-row layout, advanced infotainment, and comprehensive safety suite. Its balanced fuel economy of EPA-estimated 16 city / 21 highway MPG for a vehicle of this caliber makes it practical for work weeks and weekend getaways alike. Actual mileage may vary. Come experience the commanding presence and refined engineering that define Land Rover ownership schedule your test drive today.
