The XS Edition pairs practical innovation with genuine luxury. Heated front seats and 18-way adjustable front row seating provide all-day comfort, while the air suspension system absorbs road imperfections with sophisticated ease. Three-zone climate control, dual-zone air conditioning, and rear air conditioning ensure every passenger stays comfortable regardless of conditions. The Connected Navigation PIVI Pro system keeps you oriented and connected, and the 825W Meridian surround sound system transforms every drive into an immersive experience. Heated door mirrors, auto-dimming door mirrors, and rain-sensing wipers handle seasonal challenges, while the power moonroof brings natural light and ventilation to the cabin.

Safety and convenience technologies abound throughout this Defender. Electronic Stability Control, traction control, brake assist, and a comprehensive airbag system provide confidence in all driving situations. Remote keyless entry, HomeLink garage door integration, and a security system simplify daily operation. Four-wheel independent suspension with front and rear anti-roll bars ensures composed handling whether you're navigating city streets or exploring beyond them.

This Defender 110 XS Edition represents the perfect blend of iconic Land Rover heritage and modern refinement. Contact our showroom today to experience this remarkable vehicle firsthand.
