This 4WD-equipped vehicle handles any condition on- or off-road with the sure footedness of a mountain goat. With unequaled traction and stability, you'll drive with confidence in any weather with this Fuji White 2016 4WD Land Rover Range Rover . You can tell this 2016 Land Rover Range Rover has been pampered by the fact that it has less than 84,763mi and appears with a showroom shine. More information about the 2016 Land Rover Range Rover: The fourth-generation Range Rover retains everything customers loved about the previous model, and Land Rover has improved upon all of it. The result is a massively capable on- or off-road luxury SUV with loads of power, smart handling, extensive use of technology and more creature comforts than you can imagine. It rivals anything produced by Mercedes or Porsche, and in fact now weighs less than either the Cayenne Turbo or GL450, thanks to extensive use of aluminum. The result is the most refined Range Rover yet. Interesting features of this model are inspired handling characteristics, All-aluminum body structure, available supercharged V8 power, fantastic off-road capabilities, and efficient diesel engine available
