Description

This 2022 Land Rover Defender 110 SE combines refined capability with premium comfort, delivering a vehicle engineered for those who demand both performance and luxury in their daily drive. - Heated and ventilated leather seats with memory function - Panoramic roof flooding the cabin with natural light - Adaptive cruise control for effortless highway driving - Air suspension pack for superior ride quality - Meridian surround sound system with 15 speakers - Navigation with Connected Navigation PIVI Pro - Three-zone climate control for personalized comfort - Cold climate package for winter readiness - Black contrast roof for distinctive styling - Tow hitch receiver for versatile capability - Four-wheel independent suspension for stability - Auto high-beam headlights with rain-sensing wipers - Electronic stability control and traction control - Apple CarPlay and Android Auto integration - 20-inch gloss sparkle silver alloy wheels The Defender 110 SE stands as a full-size luxury SUV that respects its heritage while embracing modern sophistication. The 3.0L inline-six engine paired with an 8-speed automatic transmission and all-wheel drive delivers the capability you

expect from this iconic nameplate. With highway efficiency rated at 22 mpg, this vehicle balances performance with responsible fuel consumption for a machine of its stature and capability. Step inside to a thoughtfully appointed cabin where grained leather seat trim meets genuine refinement. The heated and ventilated front seats provide personalized comfort for every journey, while the power-adjustable driver's seat with memory settings ensures you find your ideal driving position instantly. The panoramic roof opens your view to the world, and three-zone climate control means every passenger enjoys their preferred temperature. Technology seamlessly integrates into your driving experience through the Meridian sound system, which delivers 825 watts of pristine audio through 15 strategically placed speakers. Navigation and integrated smartphone connectivity via Apple CarPlay and Android Auto keep you connected and informed, while adaptive cruise control manages highway driving with confidence. This locally owned and serviced Defender has been maintained with care, arriving with records that reflect its trusted history. The combination of air suspension, four-wheel independent suspension, and electronic stability control creates a composed ride whether navigating city streets or venturing beyond them. The 2022 Defender 110 SE represents a considered investment in capability dressed in luxury. We invite you to experience this distinctive vehicle firsthand and discover why the Defender continues to captivate those who value both substance and style.
