Description

This 2022 Land Rover Range Rover Evoque SE presents a refined driving experience backed by quality engineering and thoughtful design. - 12-Way Heated Front Seats with Driver Memory - PIVI Pro Infotainment System with Touch Pro Duo and Navigation - Apple CarPlay Android Auto Integration - 20' Gloss Sparkle Silver Alloy Wheels - All-Wheel Drive with Four-Wheel Independent Suspension - Dual Zone Automatic Climate Control - Heated Power Door Mirrors - Auto High-Beam Headlights with Delay-Off Function - Power Liftgate - InControl Protect Emergency Communication System - Grained Leather Seat Trim - Speed-Sensing Steering - Rain Sensing Wipers - Rear Parking Camera - SiriusXM Satellite Radio This Range Rover Evoque combines practicality with premium comfort. The blue exterior is complemented by the elegant 20-inch Gloss Sparkle Silver wheels, presenting a vehicle that stands out on the road while maintaining sophisticated styling. The interior prioritizes your comfort and convenience. Dual zone automatic climate control ensures

everyone rides at their preferred temperature, while the 12-way heated front seats with driver memory mean your ideal position is always just a button away. The grained leather seat trim adds refinement to every journey, whether you're navigating city streets or longer drives. Technology integration is seamless with the PIVI Pro Infotainment system featuring a responsive touchscreen, navigation capability, and full Apple CarPlay and Android Auto compatibility. SiriusXM satellite radio keeps you entertained with access to hundreds of channels, and the steering wheel-mounted audio controls allow you to stay focused on the road. Safety and capability work hand in hand throughout this vehicle. Four-wheel independent suspension with speed-sensing steering provides responsive handling, while electronic stability control, traction control, and a full complement of airbags protect you and your passengers. The rear parking camera gives you visibility when backing up, and InControl Protect offers emergency communication services for added peace of mind. With 54,797 miles and an all-wheel-drive I4 engine paired with a 9-speed automatic transmission, this Range Rover Evoque delivers an efficient 20 MPG city and 27 MPG highway. The combination of capability and efficiency makes this an ideal choice for those seeking a versatile vehicle that doesn't compromise on refinement. We invite you to visit and experience this Range Rover Evoque firsthand. Our team is ready to help you discover how this vehicle can enhance your driving experience.
