This 2023 Land Rover Defender 110 S in Black represents a thoughtfully maintained example of modern capability and refinement. With moderate mileage of 52,488 miles, this vehicle has been treated with clear care by its previous owner. The 2.0L turbocharged engine paired with an 8-speed automatic transmission delivers capable performance while the 4WD system ensures confident handling across varied terrain and conditions.

The interior reflects a commitment to comfort and practicality. The 12-way heated electric memory seats with grained leather trim provide both support and luxury, while the 3-zone climate control allows each occupant to maintain their preferred temperature. The refrigerated center console and heated steering wheel address the details that define ownership experience during different seasons.

Technology integration throughout the cabin keeps you connected and informed. The Connected Navigation PIVI Pro system works seamlessly with Apple CarPlay and Android Auto, while the 400-watt 11-speaker Meridian sound system delivers quality audio for your journeys. The opening panoramic sunroof adds brightness and airiness to the cabin.

Premium appointments extend throughout this model. Heated front seats and washer jets prepare you for challenging weather, while the air quality sensor and cabin air ionization with PM 2.5 filter contribute to a healthier cabin environment. The premium LED headlights with signature DRL provide visibility while establishing the vehicle's confident presence on the road.

Practical features align with how the Defender 110 S is meant to be used. The Premium Interior Protection and Storage Pack maximizes utility, while the Black Exterior Pack and gloss black front grille create a unified, purposeful aesthetic. The 19-inch gloss black style 6010 wheels suit both urban and off-road settings.

We invite you to examine this well-appointed Defender 110 S in person. This local trade-in offers the opportunity to own a luxury vehicle that balances capability with refined comfort, backed by documented care from its previous owner. Contact us to schedule your visit to the showroom.
