- 3-Zone Climate Control
- Advanced Tow Assist
- 22 Alloy Wheels
- 15-Speaker Meridian Surround Sound System
- Land Rover Certified

Finished in Santorini Black Metallic, this Defender 110 X presents a commanding presence with purposeful styling that reflects its design heritage. The exterior combines modern Land Rover design cues with practical durability. Power door mirrors, heated glass, and automatic fog lights enhance visibility and convenience in varying weather conditions.

The 3.0L inline six-cylinder engine paired with an 8-speed automatic transmission and four-wheel drive delivers the balance of performance and efficiency you expect. Highway driving achieves 22 mpg, while city driving returns 17 mpg, making this a practical choice for both urban commutes and longer journeys.

Inside, the cabin prioritizes occupant comfort and connectivity. The heated and cooled front seats provide year-round comfort, while the three-zone climate control system allows distinct temperature preferences throughout the cabin. The panoramic roof floods the interior with natural light, creating an open, airy environment. The navigation system with Connected Navigation PIVI Pro ensures seamless route planning, while Apple CarPlay and Android Auto integration keep your smartphone content at your fingertips.

Safety and convenience technologies work together to enhance your driving experience. Blind spot detection and lane keep assist provide active awareness of your surroundings, while the backup rear view camera and advanced tow assist aid in maneuvering. The adaptive suspension and four-wheel independent suspension deliver composed handling across diverse terrain.

This Land Rover Defender 110 X has been Land Rover Certified and recently serviced with a fresh oil change, reflecting its well-maintained condition. As a non-smoker vehicle, it offers a fresh cabin environment. The Towing Pack and Family Comfort Pack enhance its versatility for those with towing requirements or larger family needs.
