The vehicle achieves 17 MPG city and 20 MPG highway, balancing capability with reasonable fuel economy for a vehicle of this caliber. Inside, you'll find a thoughtfully appointed cabin that prioritizes both passenger comfort and driver control. The 12-way heated electric memory front seats with grained leather trim provide all-day comfort, while the 4-zone climate control system ensures every passenger enjoys their preferred temperature. The refrigerated center console keeps beverages chilled during long drives, and the power moonroof adds natural light and openness to the interior space. Technology integration is seamless with the Connected Navigation PIVI Pro system, offering Apple CarPlay and Android Auto compatibility along with Wi-Fi connectivity. The 400W Meridian sound system with 11 speakers delivers quality audio for your favorite music or podcasts. Additional conveniences include a heated steering wheel, HomeLink garage door transmitter, and an auto-dimming rear-view mirror. Safety and visibility have been carefully considered throughout the design. Automatic high-beam headlights with headlight power wash keep your view clear, while four-wheel disc brakes with ABS and electronic stability control provide confidence in a wide range of driving conditions. The comprehensive airbag system and rear parking camera add further protection and

awareness. This gray Defender 130 S represents a mature choice for those seeking a vehicle that handles serious capability while delivering the comfort and technology features expected in a modern luxury SUV. We invite you to schedule a time to see and drive this vehicle firsthand, where you can experience its commanding presence and refined interior for yourself.
