The 2.0L turbocharged four-cylinder engine paired with a nine-speed automatic transmission and all-wheel drive delivers

balanced performance, achieving 20 city and 27 highway miles per gallon. With just under 80,000 miles, this vehicle remains in its prime driving years and ready for new ownership. The cabin showcases grained leather seat trim across the 10-way power front bucket seats, complemented by a split-folding rear seat that adapts to your needs. The power-adjustable steering wheel, power windows, and dual-zone automatic climate control create an environment of refined comfort for every journey. Your connection to the road and navigation is enhanced through the Touch Pro Infotainment system featuring a responsive 10" touchscreen, seamless Apple CarPlay and Android Auto compatibility, and InControl Navigation Pro to guide you wherever you travel. The 180-watt system with six speakers delivers quality audio for your favorite stations and content. Safety is prioritized with dual front and side impact airbags, an occupant sensing airbag system, overhead airbags, four-wheel disc brakes with ABS, and electronic stability control. The rear parking camera assists with maneuvering, while the InControl Protect emergency communication system provides added peace of mind on the road. The responsive four-wheel independent suspension with speed-sensing steering responds to your driving inputs, while fully automatic headlights with delay-off capability and rain-sensing wipers adapt to changing conditions. Heated power door mirrors with auto-dimming technology enhance visibility and comfort throughout the year. We invite you to experience this Range Rover Evoque S in person. Contact us today to arrange a showing and discover why this vehicle deserves your consideration.
