The Defender 110 S features a capable 3.0L I6 engine paired with an 8-speed automatic transmission and all-wheel drive, delivering a balanced driving experience whether navigating city streets or venturing off the beaten path. With city fuel economy of 17 MPG and highway performance of 20 MPG, this vehicle maintains respectable efficiency without compromising its commanding abilities.

Every aspect of the interior has been thoughtfully designed for your comfort and control. The heated 12-way electric memory front seats adjust to your preferences, while the 3-zone climate control ensures every passenger remains comfortable. The heated steering wheel and panoramic roof enhance your driving experience, and the navigation system with connected PIVI Pro technology keeps you oriented and connected wherever you go.

The Land Rover Approved Certified Pre-Owned status provides peace of mind with comprehensive coverage protection through January 5, 2029. This certification reflects our confidence in the vehicle's quality and condition, backed by thorough evaluation and professional reconditioning to ensure your satisfaction and confidence in your purchase.

Advanced safety features including blind spot detection, electronic stability control, and six airbags work together to protect you and your passengers. The adaptive dynamics system enhances handling and stability across varied driving conditions, while the four-wheel independent suspension provides smooth ride quality and responsive control.

This Defender 110 S is ready to exceed your expectations. Schedule your appointment to experience this exceptional vehicle in person and discover why Land Rover owners trust their vehicles for both everyday driving and extraordinary adventures.
