Description

This 2020 Land Rover Defender 110 HSE delivers capable performance and refined luxury for those who demand both on and off the road. - Black Pack - Towing Pack with Advanced Tow Assist - 700W 15 Speaker Meridian Surround Sound System - Head-Up Display - Wi-Fi Enabled with Data Plan - Connected Navigation PIVI Pro - 14-Way Heated Cooled Electric Memory Seats - Apple CarPlay Android Auto - Front Center Console Refrigeration Compartment - Heated Steering Wheel - Cold Climate Pack with Heated Windscreen and Heated Washer Jets - 22' Gloss Black Style 5098 Wheels - Fixed Side Steps with Gloss Black Grille Bar - Trailer Hitch with Electrical Connector - Power Moonroof The Defender 110 HSE combines iconic Land Rover heritage with contemporary engineering. Its 3.0L six-cylinder engine paired with an eight-speed automatic transmission and 4WD delivers responsive power while achieving 17 MPG city and 22 MPG highway. The spacious 110-wheelbase design provides exceptional cargo flexibility and passenger comfort, making this vehicle equally suited for daily commuting and weekend adventures. Premium comfort features define the cabin experience. The 14-way heated and cooled leather seats with memory settings ensure personalized comfort for every journey. Dual-zone automatic climate control, air quality sensor with cabin air ionization, and the power moonroof create an inviting interior environment. The heated windscreen and heated door mirrors prove especially valuable during challenging weather conditions. Advanced technology keeps you connected and informed. The 700-watt Meridian surround sound system with 15 speakers provides exceptional audio quality, while the head-up display presents critical driving information directly in your line of sight. Apple CarPlay and Android Auto integration, combined with Wi-Fi connectivity and the Connected Navigation PIVI Pro system, ensure seamless smartphone integration and navigation capabilities. Capability features

enhance both safety and utility. The advanced tow assist system, trailer hitch with electrical connector, and towing pack make hauling straightforward and secure. Electronic stability control, adaptive suspension, and speed-sensing steering work together to optimize handling across varying terrains and conditions. Multiple airbags, ABS brakes, and a comprehensive safety system provide confidence in every driving situation. This 2020 Defender 110 HSE represents a thoughtfully equipped vehicle ready for your lifestyle. With its combination of luxury appointments, advanced technology, and proven capability, this Land Rover invites you to experience what refined adventure feels like. We encourage you to schedule a test drive and discover why this vehicle commands such loyalty from discerning owners.
